WELCOME MESSAGE

Dear Friends and Colleagues:

I am happy to announce that the 4th PAAFPRS annual conference combined with the 6th annual conference of Korean academy of facial plastic and reconstructive surgery (KAFPRS) will be held in Seoul. On behalf of the PAAFPRS and KAFPRS, it is a great pleasure to invite you to this academic event.

This combined meeting will be hosting leading facial plastic surgeons from all over the globe and Korea to share their knowledge and expertise with their fellow colleagues. This meeting will boast an academic feast consisted not only of lectures, but also of live surgeries, free paper presentations, and presentations of interesting cases. Following noble legacies of academism, the symposia shall be highly educational and will enhance friendship between all the participants. Seoul, the heart of South Korea, is known for its distinctive dynamic beauty and will not fail to please you with its historical past and ultra-modern present, combined with the Korean hospitality that will make your visit worthwhile.
